

Name \_\_\_\_\_

### Skeleton Chart: Teacher Guide

Label the skeleton below by drawing a line from the 10 names to the correct bones on the skeleton. (Remember that the left and right sides of the skeleton are the opposite of yours.)

1. Skull
2. Dentition (teeth)
3. Mandible
4. Humerus (left)
5. Spinal column
6. Pelvic girdle
7. Femur (left)
8. Tibia (right)
9. Fibula (left)
10. Tarsals (right)
