

TABLE OF CONTENTS

| | |
|--|-----|
| ACKNOWLEDGMENTS | xiv |
| CHAPTER 1. INTRODUCTORY REMARKS | 1 |
| CHAPTER 2. THE ENVIRONMENT AND ITS RESOURCES | 5 |
| Climate..... | 5 |
| Geology..... | 5 |
| Geologic Processes at the Mitchell Ridge Site..... | 6 |
| Biota..... | 9 |
| Estuarine..... | 9 |
| Terrestrial..... | 13 |
| CHAPTER 3. ARCHAEOLOGICAL BACKGROUND | 14 |
| Archaeological Chronology in the Galveston Bay Area..... | 14 |
| The Existing Ceramic Period Chronology..... | 17 |
| An Alternative Chronology..... | 17 |
| CHAPTER 4. ETHNOHISTORICAL BACKGROUND | 24 |
| Periods of the Ethnohistorical Record..... | 24 |
| The Protohistoric Period: Spanish Exploration..... | 25 |
| The Observations of Cabeza de Vaca..... | 25 |
| The Protohistoric Situation on the Eastern Gulf Coast..... | 27 |
| The Early Historic Period: Initial Contact and Interaction..... | 28 |
| The Early Historic Period: Intensified Interaction and the Deerskin Trade..... | 32 |
| French Traders and Spaniards in the Galveston Bay Area..... | 35 |
| Native Culture of the Upper Texas Coast in the Mid-Eighteenth Century..... | 39 |
| CHAPTER 5. THE 1992 EXCAVATIONS | 44 |
| The Block Excavation..... | 55 |
| Features in the Block Excavation..... | 58 |
| Artifacts from the Block Excavation..... | 69 |
| Faunal Remains from the Block Excavation..... | 88 |
| Debris Class Distributions and Inferences Concerning Spatial Patterning..... | 97 |
| Seasonality of Occupation..... | 107 |
| Summary Discussion of Key Points..... | 107 |
| Testing and Excavations in Area 3..... | 111 |
| Feature 9: A Complex of Overlapping Pits..... | 112 |
| Artifacts from Feature 9..... | 113 |
| Faunal Remains from Feature 9..... | 120 |
| The Chronological Placement of Feature 9..... | 125 |
| Other Aboriginal Pits in Area 3..... | 128 |
| Hearths in Area 3..... | 128 |
| Features 37 and 38, A Hearth and Possibly Associated Debris..... | 130 |
| Overview of Area 3..... | 130 |
| Non-Burial Features in Other Areas Investigated in 1992..... | 130 |
| The Far West Area..... | 131 |
| Area 1..... | 132 |
| Area 4..... | 132 |
| Area 2..... | 135 |
| The Corral Area..... | 136 |
| Post Mold Patterns..... | 136 |
| Area 5..... | 139 |
| The Bayou Lots..... | 139 |

| | |
|--|------------|
| CHAPTER 6. EXCAVATION AND FINDINGS DURING THE 1970s..... | 141 |
| Materials and Data: Their Analytical Limitations and Potentials..... | 141 |
| The Spatial Layout of the 1970s Excavations..... | 143 |
| The Cross Area..... | 143 |
| The C. C. Area..... | 146 |
| The Burial Area..... | 147 |
| The Burke House Area..... | 147 |
| The Corral Area..... | 147 |
| The Michaelis Tract..... | 147 |
| The Cutbank Area..... | 147 |
| Procedures Followed in the Analysis of the 1970s Findings..... | 147 |
| The Artifacts..... | 148 |
| Lithics..... | 148 |
| Bone Artifacts..... | 156 |
| Shell Artifacts..... | 158 |
| Glass Artifacts..... | 158 |
| Ceramics..... | 160 |
| Faunal Remains..... | 161 |
| Seasonality..... | 162 |
| Chronology..... | 162 |
| | |
| CHAPTER 7. THE ARTIFACTS FROM OCCUPATION AREAS AT MITCHELL RIDGE: DIMENSIONS OF TECHNOLOGY AND STYLE..... | 164 |
| General Characteristics of the Artifact Sample..... | 164 |
| Flaked Chert and the Organization of Lithic Technology..... | 167 |
| Aboriginal Ceramics at Mitchell Ridge: Toward an Understanding of Technology and Style..... | 176 |
| Analysis of the Mitchell Ridge Pottery..... | 178 |
| Typology of the Mitchell Ridge Pottery..... | 212 |
| | |
| CHAPTER 8. DESCRIPTIONS OF BURIAL FEATURES..... | 216 |
| Burials Excavated During the 1970s Investigations..... | 216 |
| The Burial Area..... | 216 |
| The Cross Area..... | 219 |
| Burials Excavated in 1992..... | 226 |
| Area 1..... | 226 |
| Area 3..... | 241 |
| Area 4..... | 241 |
| | |
| CHAPTER 9. BIOARCHAEOLOGICAL ANALYSIS OF HUMAN SKELETAL REMAINS FROM THE MITCHELL RIDGE SITE by Joseph F. Powell with a contribution by Barry W. Baker..... | 287 |
| Data Collection Methods..... | 289 |
| The Burials..... | 294 |
| Area 1..... | 296 |
| Area 3..... | 300 |
| Area 4..... | 300 |
| Burials Recovered from Previous Excavations in the "Burial Area"..... | 309 |
| Burials from the Cross Area Excavations..... | 312 |
| Taphonomic Analyses and Implications for Mortuary Behavior..... | 315 |
| Paleodemographic Analyses..... | 336 |
| Paleopathological Analyses..... | 346 |
| Orodonal Health and Diet..... | 364 |
| Metric and Nonmetric Traits and Patterns of Biological Affinity..... | 372 |
| Conclusions and Interpretations..... | 398 |

| | |
|---|----------------|
| CHAPTER 10. STABLE ISOTOPE ANALYSIS OF HUMAN DIETS AT MITCHELL RIDGE by Jeffery A. Huebner..... | 406 |
| Background to Archaeological Stable Isotope Studies in Coastal Regions..... | 406 |
| Isotopic Subsistence Ecology on the Upper Texas Coast..... | 407 |
| Materials and Methods..... | 408 |
| Results..... | 410 |
| Discussion..... | 411 |
| Interregional Isotopic Dietary Comparisons..... | 414 |
| CHAPTER 11. THE GRAVE GOODS: CHRONOLOGICAL, STYLISTIC AND FUNCTIONAL CONSIDERATIONS..... | 417 |
| Major Artifact Classes Among the Grave Goods: Items of Native Manufacture..... | 417 |
| Marine and Freshwater Shell Artifacts by Meredith L. Dreiss..... | 417 |
| Descriptions of Marine and Freshwater Shell Artifacts..... | 417 |
| <i>Busycon</i> Shell Artifacts..... | 426 |
| <i>Oliva</i> and <i>Olivella</i> Shell Artifacts..... | 433 |
| Marine Bivalve Artifacts..... | 434 |
| Freshwater Mussel Shell Artifacts..... | 434 |
| Distribution of Marine Shell Artifacts at Other Archaeological Sites..... | 436 |
| Discussion and Summary..... | 443 |
| Bird Bone Whistles..... | 445 |
| Lithics..... | 449 |
| Ochre..... | 452 |
| Artifact Classes Among the Grave Goods: Items of Non-Aboriginal Manufacture..... | 452 |
| Glass Trade Beads..... | 452 |
| Glass Beads as Historical Time Markers..... | 458 |
| Other Trade Items..... | 461 |
| CHAPTER 12. SOCIOCULTURAL AND DEMOGRAPHIC DIMENSIONS OF MORTUARY PRACTICES..... | 463 |
| A Summary of the Chronological Data for the Mitchell Ridge Burials..... | 463 |
| The Mitchell Ridge Burials and Galveston Bay Area Mortuary Practices..... | 466 |
| The Mitchell Ridge Burials and the Question of Social Statuses..... | 475 |
| Modes of Burial as Possible Indicators of Status Differences..... | 476 |
| Grave Goods as Indicators of Status..... | 476 |
| Spatial Clustering of Grave Goods by Cemeteries..... | 477 |
| The Diachronic Perspective..... | 481 |
| Demographic Implications of the Mitchell Ridge Burials..... | 482 |
| Average Numbers of Individuals per Grave..... | 483 |
| Possible Increases in Child Mortality During the Early Historic..... | 484 |
| Changing Mortality Rates and Early Historic Epidemics..... | 485 |
| Evidence for Early Historic Population Mergers at Mitchell Ridge..... | 490 |
| Evidence for Changing Economic Patterns in Early Historic Times..... | 492 |
| CHAPTER 13. SUMMARY DISCUSSIONS: KEY POINTS AND THEIR ECOLOGICAL AND SOCIOCULTURAL IMPLICATIONS..... | 494 |
| Human Ecological Patterns through Time..... | 494 |
| Cultural Tradition and Change at Mitchell Ridge..... | 496 |
| APPENDIX: RADIOCARBON DATA, MITCHELL RIDGE SITE..... | 502 |
| REFERENCES CITED..... | 510 |

LIST OF FIGURES

| | |
|--|-----|
| 1.1 Map of the Texas coast showing location of the Mitchell Ridge Site..... | 2 |
| 2.1 Geologic cross-section of Galveston Island..... | 7 |
| 2.2 Profile of Geological Sediments, west end of Mitchell Ridge Site..... | 8 |
| 2.3 Map of Galveston Bay area. showing environmental zones..... | 10 |
| 2.4 Map of Galveston Bay area showing average surface salinities and oyster reefs..... | 12 |
| 3.1 Chart showing Aten's chronological placement of dated site components..... | 19 |
| 3.2 Chart showing Aten's chronological periods and alternative chronology..... | 22 |
| 4.1 Map of the Gulf coast showing locations of native groups..... | 33 |
| 5.1 Map of the Mitchell Ridge Site showing 1992 excavations..... | 45 |
| 5.2 Photograph showing exposed burial pits in surface of sand/shell hash..... | 47 |
| 5.3 Representative wall profiles, Block Excavation..... | 56 |
| 5.4 Views of work in progress, Block Excavation..... | 57 |
| 5.5 Map showing piece-plotted oyster shells and post molds in Block Excavation..... | 59 |
| 5.6 Plan and cross-sectional views of hearth, Feature 107..... | 60 |
| 5.7 Photograph showing shell-lined hearths in Block Excavation..... | 62 |
| 5.8 Photograph of Feature 113, hearth, Block Excavation..... | 63 |
| 5.9 Photograph of hearth, Feature 110-A, Block Excavation..... | 64 |
| 5.10 Plan of Feature 110-A..... | 65 |
| 5.11 Plan and cross-sectional views of Feature 109, Block Excavation..... | 66 |
| 5.12 Plan and cross-sections of post molds, Block Excavation..... | 68 |
| 5.13 Photograph of Feature 106, Block Excavation..... | 70 |
| 5.14 Arrowpoints from the Block Excavation..... | 71 |
| 5.15 Various lithic artifacts, Block Excavation..... | 77 |
| 5.16 Prismatic blades, Block Excavation..... | 79 |
| 5.17 Bone and rough stone artifacts, Block Excavation..... | 83 |
| 5.18 Possible bone fleshing tool, Block Excavation..... | 84 |
| 5.19 Shell artifacts, Block Excavation..... | 85 |
| 5.20 Piece-plotted bone fragments, Block Excavation..... | 99 |
| 5.21 Piece-plotted lithic tools and debitage, Block Excavation..... | 100 |
| 5.22 Piece-plotted potsherds, Block Excavation..... | 101 |
| 5.23 Densities of rat mandibles and fish bone, Block Excavation..... | 102 |
| 5.24 Densities of deer bone fragments and oyster shells, Block Excavation..... | 103 |
| 5.25 Densities of debitage and potsherds, Block Excavation..... | 104 |
| 5.26 Map showing layout of features in Block Excavation..... | 110 |
| 5.27 Map of Area 3..... | 112 |
| 5.28 Map of Feature 9..... | 114 |
| 5.29 Map of Feature 9 showing piece-plotted debris below 20-cm depth..... | 115 |
| 5.30 Map showing bottom contours of Feature 9..... | 116 |
| 5.31 Three profiles, Feature 9..... | 117 |
| 5.32 Map showing horizontal extent of debris, Feature 9, and pit outlines..... | 118 |
| 5.33 Flaked chert artifacts, Feature 9..... | 121 |
| 5.34 Map showing Features 37 and 38, Area 3..... | 129 |
| 5.35 Plan and profile views of large pit, Feature 66..... | 133 |
| 5.36 Plan views of post mold patterns, Features 98 and 99..... | 137 |
| 5.37 Plan and cross-sections of post molds in Features 98 and 99..... | 138 |
| 6.1 Map of the Mitchell Ridge Site showing areas excavated in the 1970s..... | 144 |
| 6.2 Excavation plan, C. C. Area..... | 145 |
| 6.3 Excavation plan, Cross Area..... | 146 |
| 6.4 Lithic artifacts from the 1970s excavations..... | 151 |
| 6.5 Prismatic blades from the 1970s excavations..... | 154 |

| | |
|---|-----|
| 6.6 Bone artifacts, 1970s excavations..... | 157 |
| 6.7 Shell and glass artifacts, 1970s excavations..... | 159 |
| 7.1 Bar graph showing percentages of flake types, central coast sites and Mitchell Ridge..... | 170 |
| 7.2 Scatter diagram, flake:tool ratio..... | 171 |
| 7.3 Scatter diagram, flake lengths..... | 172 |
| 7.4 Scatter diagram, percentages of flakes utilized..... | 173 |
| 7.5 Scatter diagram, Perdiz arrowpoint lengths..... | 174 |
| 7.6 Vessel shapes, Mitchell Ridge pottery..... | 182 |
| 7.7 Section of Goose Creek Plain jar..... | 183 |
| 7.8 Partially reconstructed Goose Creek jar..... | 184 |
| 7.9 Bar graph showing numbers of vessels in 10-cm orifice diameter groupings..... | 188 |
| 7.10 Bar graph showing numbers of vessels in 30-cm orifice diameter groupings..... | 189 |
| 7.11 Bar graph, numbers of tempered vs. untempered vessels, by orifice diameter..... | 190 |
| 7.12 Bar graph, percentages of tempered vs. untempered vessels by orifice diameter..... | 191 |
| 7.13 Selected decorated potherds, Block Excavation..... | 193 |
| 7.14 Selected rimsherds, Block Excavation..... | 194 |
| 7.15 Selected decorated potherds with incised horizontal lines..... | 195 |
| 7.16 Selected sherds, 1970s excavation..... | 196 |
| 7.17 Selected sherds, Block Excavation..... | 197 |
| 7.18 Selected sherds, Block Excavation..... | 198 |
| 7.19 Unusual decorated sherds..... | 199 |
| 7.20 Selected sherds, Feature 9..... | 200 |
| 7.21 Various decorated sherds, 1970s excavation..... | 201 |
| 7.22 Selected sherds with incised pendant triangles..... | 202 |
| 7.23 Selected sherds, 1970s excavation..... | 203 |
| 7.24 Chart showing similarities between Mitchell Ridge and LMV sherds..... | 211 |
| 7.25 Bar graph showing percentages of vessels by paste characteristics..... | 214 |
| 8.1 Map of Burial Area, 1970s excavation..... | 217 |
| 8.2 Map of burials in Cross Area, 1970s excavation..... | 218 |
| 8.3 Rectangular bone artifact, Burial 5, 1970s excavation..... | 219 |
| 8.4 Artifacts found with Burial 7, 1970s excavation..... | 222 |
| 8.5 Artifacts with Burial 10, 1970s excavation..... | 224 |
| 8.6 Map of Area 1..... | 232 |
| 8.7 Plan and cross-sections, Feature 92-1..... | 233 |
| 8.8 Plan of Feature 92-2..... | 235 |
| 8.9 Plan of Feature 25..... | 236 |
| 8.10 Plan and profile, Feature 27..... | 238 |
| 8.11 Plan and cross-section, Feature 28..... | 239 |
| 8.12 Artifacts, Feature 28..... | 240 |
| 8.13 Plan of Feature 30..... | 242 |
| 8.14 Plan of Feature 52, Area 3..... | 243 |
| 8.15 Map of Area 4..... | 245 |
| 8.16 Plan of Feature 82..... | 246 |
| 8.17 Artifacts, Feature 82..... | 247 |
| 8.18 Whooping crane ulna whistles, Area 4..... | 248 |
| 8.19 Plan of Feature 83..... | 250 |
| 8.20 Glass and shell bead necklace, Feature 83..... | 251 |
| 8.21 Plan of Feature 85..... | 253 |
| 8.22 Plan of Feature 86..... | 254 |
| 8.23 Artifacts from Feature 86..... | 255 |
| 8.24 Lithic artifacts, Feature 86..... | 256 |
| 8.25 Lithic artifacts, Feature 86..... | 257 |
| 8.26 Lithic artifacts, Feature 86..... | 258 |
| 8.27 Plan of Feature 87..... | 259 |
| 8.28 Lithic artifacts, Feature 87..... | 260 |

| | | |
|------|--|-----|
| 8.29 | Artifacts, Feature 87..... | 261 |
| 8.30 | Plan of Feature 61..... | 263 |
| 8.31 | Photograph showing in situ olive shell beads around skull, Feature 61..... | 264 |
| 8.32 | Plan of Feature 62..... | 265 |
| 8.33 | Plan of Feature 63..... | 266 |
| 8.34 | Cross-sections of post molds around Feature 63..... | 267 |
| 8.35 | Two views of Feature 63..... | 268 |
| 8.36 | Glass and shell bead necklace, Feature 63..... | 269 |
| 8.37 | Shell ornaments, bundle burial, Feature 63..... | 270 |
| 8.38 | Plan of Feature 64..... | 272 |
| 8.39 | Cross-sections of post molds around Feature 64..... | 273 |
| 8.40 | Photograph showing Burial 1, Feature 64..... | 274 |
| 8.41 | Artifacts, Burial 1, Feature 64..... | 275 |
| 8.42 | Artifacts, Burial 2, Feature 64..... | 276 |
| 8.43 | Photograph of Burial 3, Feature 64..... | 278 |
| 8.44 | Shell ornaments, Burial 4, Feature 64..... | 279 |
| 8.45 | Whooping crane ulna whistles, Burial 4, Feature 64..... | 280 |
| 8.46 | Plan of Feature 65 and 65-A..... | 281 |
| 8.47 | Bone and antler artifacts, Features 65 and 65-A..... | 283 |
| 8.48 | Chert drills, Features 65 and 65-A..... | 284 |
| 8.49 | Cross-section view, Feature 65-A..... | 285 |
| 9.1 | Model of interacting biocultural systems..... | 288 |
| 9.2 | Skeletal element representations, primary and secondary burials..... | 320 |
| 9.3 | Skeletal element representations, secondary burials, Mitchell Ridge and Ecuador..... | 320 |
| 9.4 | Skeletal element survival rates, Mitchell Ridge and forensic cases..... | 321 |
| 9.5 | Frequency of rodent gnawing, Mitchell Ridge and forensic cases..... | 323 |
| 9.6 | Photograph of cut marks on left tibia, Feature 92-1b..... | 325 |
| 9.7 | Photograph of cut marks, left femur, Feature 92-1b..... | 326 |
| 9.8 | Frequency of cut marks by element, secondary burials, Mancos Pueblo..... | 327 |
| 9.9 | Photograph of porotic hyperstosis in adult male skull..... | 348 |
| 9.10 | Photograph of active cribia orbitalia in older child..... | 349 |
| 9.11 | Distribution of abnormal bone loss by region..... | 350 |
| 9.12 | Photograph of periostitis on adult ilium..... | 352 |
| 9.13 | Osteomyelitis (trepanematosi) in adult femur..... | 352 |
| 9.14 | Distribution of abnormal bone formation by element..... | 353 |
| 9.15 | Photograph of caries sicca in Figure 52..... | 355 |
| 9.16 | Photograph of cloacae in clavicle, Feature 52..... | 355 |
| 9.17 | Distribution of degenerative joint disease by element..... | 356 |
| 9.18 | Photograph of flowing osteophytis in series of vertebrae..... | 356 |
| 9.19 | Distribution of vertebral osteophytis by vertebra type..... | 357 |
| 9.20 | Distribution of fractures by element..... | 359 |
| 9.21 | Photograph of fractured cervical vertebra, Feature 61, Burial 1..... | 360 |
| 9.22 | Photograph of spondylolysis, Feature 64, Burial 4..... | 362 |
| 9.23 | Photograph of spiral fracture of humerus, Feature 65..... | 362 |
| 9.24 | Distribution of enthesophytes by element..... | 363 |
| 9.25 | Photograph of frontal-occipital cranial modification, Feature 64, Burial 4..... | 364 |
| 9.26 | Distribution of enamel hypoplasia by age, Prehistoric burials..... | 367 |
| 9.27 | Distribution of enamel hypoplasia by age, Protohistoric burials..... | 367 |
| 9.28 | Distribution of enamel hypoplasia by age, Early Historic burials..... | 368 |
| 9.29 | Mean dental wear scores, Mitchell Ridge, by time periods..... | 369 |
| 9.30 | Photograph of dental microwear for Prehistoric burial, Feature 35..... | 370 |
| 9.31 | Photograph of dental microwear for Protohistoric Burial, Feature 61..... | 370 |
| 9.32 | Photograph of dental microwear, historic burial, Feature 64, Burial 4..... | 371 |
| 9.33 | Relative frequency of pits and scratches by time period..... | 372 |
| 9.34 | Principal component analysis of cranial shape vectors..... | 381 |

| | | |
|-------|--|-----|
| 9.35 | Canonical discriminant analysis of craniometric shape vectors..... | 382 |
| 9.36 | Canonical discriminant analysis of craniometric shape vectors..... | 383 |
| 9.37 | Canonical discriminant analysis of odontometric shape vectors for females..... | 384 |
| 9.38 | Canonical discriminant analysis of odontometric shape vectors for males..... | 385 |
| 9.39 | Unweighted pair group clusters of MMD scores, Texas populations..... | 387 |
| 9.40 | Dental discrete trait frequencies, Prehistoric and Historic burials..... | 388 |
| 9.41 | Alpha and maxillo-frontal indices for Mitchell Ridge..... | 390 |
| 9.42 | Alpha and zygo-orbital indices for Mitchell Ridge..... | 390 |
| 9.43 | Giles and Elliot (1992) discriminant functions for male cranial shape..... | 391 |
| 9.44 | Giles and Elliot discriminant functions for female cranial shape..... | 391 |
| 9.45 | Frequency of Asian structural features in the Mitchell Ridge burials..... | 397 |
| 10.1 | Stable carbon and nitrogen values for faunal and human bone samples, Mitchell Ridge..... | 413 |
| 11.1 | Varieties of conch columella beads, Mitchell Ridge burials..... | 421 |
| 11.2 | Photograph of <i>Olivella</i> shell bead necklace, Feature 86..... | 423 |
| 11.3 | Map showing range of <i>Busycon</i> species..... | 430 |
| 11.4 | Map showing ranges of <i>Oliva sayana</i> and <i>Olivella minuta</i> | 435 |
| 11.5 | Illustration of position of asphaltum plug in whooping crane ulna whistles..... | 447 |
| 11.6 | Engraved whooping crane ulna whistles from Cameron Parish, Louisiana..... | 449 |
| 11.7 | Glass trade bead types, Mitchell Ridge..... | 456 |
| 12.1 | Calibrated radiocarbon ranges for burials and occupation features, Mitchell Ridge..... | 465 |
| 12.2 | Headward orientations for primary burials, 4 cemeteries at Mitchell Ridge..... | 467 |
| 12.3 | Headward orientations for all primary burials, Mitchell Ridge..... | 468 |
| 12.4 | Bar graph showing percent of graves with offerings by age/sex categories..... | 479 |
| 12.5 | Bar graph showing average number of offering classes by age/sex groupings..... | 480 |
| 12.6 | Bar graph showing percent of grave pits with offerings, four burial groups..... | 482 |
| 12.7 | Bar graph showing number of offering classes, radiocarbon-dated individuals..... | 483 |
| 12.8 | Bar graph showing average number of classes of grave goods by time periods..... | 485 |
| 12.9 | Bar graph showing average numbers of individuals per pit, for major periods..... | 487 |
| 12.10 | Bar graph showing percent of individuals in burial which are subadults..... | 488 |
| 12.11 | Early Historic population curves for Akokisa and Karankawa..... | 490 |

LIST OF TABLES

| | | |
|------|--|-----|
| 4.1 | Items observed at Blancpain's trading post, 1754..... | 39 |
| 4.2 | Items claimed by Blancpain to have been at trading post in 1754..... | 40 |
| 5.1 | Non-burial feature data, 1992 excavations..... | 48 |
| 5.2 | Artifacts from Block Excavation..... | 72 |
| 5.3 | Arrowpoint data, Block Excavation..... | 74 |
| 5.4 | Chert drills, Block Excavation..... | 78 |
| 5.5 | Blades, Block Excavation..... | 80 |
| 5.6 | Faunal elements, Block Excavation..... | 89 |
| 5.7 | Data on Faunal samples, Block Excavation..... | 96 |
| 5.8 | Fragment sizes, deer bones from Block Excavation..... | 105 |
| 5.9 | Abundances of debris classes in excavation units with hearths, Block Excavation..... | 106 |
| 5.10 | Estimated season of death, oyster sample, Block Excavation..... | 108 |
| 5.11 | Artifacts, Feature 9..... | 119 |
| 5.12 | Arrowpoint data, Feature 9..... | 122 |
| 5.13 | Chert drill data, Feature 9..... | 123 |
| 5.14 | Prismatic blade data, Feature 9..... | 124 |
| 5.15 | Cultural debris, Area 3 aboriginal features..... | 127 |
| 5.16 | Data on shell-lined hearths, various areas..... | 131 |
| 5.17 | Materials recovered from pit, Feature 66..... | 134 |
| 6.1 | Provenience data for excavation units, 1970s excavations..... | 142 |
| 6.2 | Aboriginal artifacts, 1970s excavations..... | 149 |
| 6.3 | Arrowpoint data, 1970s excavations..... | 152 |
| 6.4 | Drill data, 1970s excavations..... | 153 |
| 6.5 | Prismatic blade data, 1970s excavations..... | 155 |
| 7.1 | Artifacts, occupation areas, 1970s and 1992 excavations..... | 165 |
| 7.2 | Flakes, flake fragments, Block excavation and Feature 9..... | 168 |
| 7.3 | Adjusted flake-type numbers, flake-tool ratios..... | 169 |
| 7.4 | Numerical data, correlations between vessel decoration, temper and form..... | 185 |
| 7.5 | Percentages of rim profile attributes..... | 186 |
| 7.6 | Percentages of lip form attributes..... | 187 |
| 7.7 | Correlations, primary and secondary ceramic decorative elements..... | 204 |
| 7.8 | Pottery types by excavation areas..... | 213 |
| 8.1 | Data on burials excavated in the 1970s..... | 220 |
| 8.2 | Data on burials excavated in 1992..... | 227 |
| 9.1 | Burning codes, analysis of cremated remains..... | 292 |
| 9.2 | Summary of skeletal remains, Area 1..... | 295 |
| 9.3 | Summary of skeletal remains, Area 1 (pilot canal) and Area 3..... | 299 |
| 9.4 | Summary of skeletal remains, Area 4..... | 301 |
| 9.5 | Summary of skeletal remains, 1970s Burial Area..... | 310 |
| 9.6 | Summary of skeletal remains, Cross Area..... | 313 |
| 9.7 | Elements in secondary burials..... | 317 |
| 9.8 | Skeletal element survival, Mitchell Ridge..... | 322 |
| 9.9 | Element survival correlations, Mitchell Ridge primary and secondary burials..... | 322 |
| 9.10 | Adult burned skeletal elements, Feature 63-2b..... | 328 |
| 9.11 | Subadult burned skeletal elements, Feature 63-2b..... | 329 |
| 9.12 | Adult burned skeletal elements, Feature 3..... | 330 |
| 9.13 | Adult burned skeletal elements, Feature 65-A..... | 331 |
| 9.14 | Adult burned skeletal elements, Feature 85..... | 332 |
| 9.15 | Age-sex distributions, Prehistoric burials..... | 338 |
| 9.16 | Age-sex distributions, Protohistoric burials..... | 339 |

| | | |
|------|---|-----|
| 9.17 | Age-sex distribution, Early Historic burials..... | 340 |
| 9.18 | Subadult and adult summary statistics, Texas coastal samples..... | 341 |
| 9.19 | Percentage of subadults, males and females for upper and central coasts..... | 343 |
| 9.20 | Mortuary statistics, Mitchell Ridge and comparative coastal sites..... | 344 |
| 9.21 | Percentage of cribia orbitalia by site..... | 350 |
| 9.22 | Percentage of porotic hyperostosis by site..... | 351 |
| 9.23 | Percentage of resorptive lesions at Mitchell Ridge..... | 351 |
| 9.24 | Percentage of proliferative lesions by site..... | 353 |
| 9.25 | Percentage of arthritic lipping of joint margins by site..... | 354 |
| 9.26 | Percentage of arthritic pitting of joint surfaces by site..... | 358 |
| 9.27 | Percentage of vertebral osteophytosis by site..... | 358 |
| 9.28 | Percentage of fractures and sharp trauma by site..... | 361 |
| 9.29 | Percentage of enthesopathies at Mitchell Ridge..... | 363 |
| 9.30 | Distribution of orodontal pathology at Mitchell Ridge..... | 366 |
| 9.31 | Infracranial metric data, Prehistoric burials, Mitchell Ridge..... | 374 |
| 9.32 | Infracranial metric data, Protohistoric burials, Mitchell Ridge..... | 375 |
| 9.33 | Infracranial metric data, Historic burials, Mitchell Ridge..... | 376 |
| 9.34 | Sexual dimorphism in infracranial dimensions..... | 377 |
| 9.35 | Stature estimates, selected Prehistoric skeletal series..... | 378 |
| 9.36 | Mean measure of divergence values, nine Texas samples..... | 379 |
| 9.37 | Craniofacial characteristics, major geographic populations..... | 392 |
| 9.38 | Summary of biological affinity data for Mitchell Ridge burials..... | 394 |
| 9.39 | Dental pathology profiles for three subsistence patterns..... | 402 |
| 10.1 | Average stable isotope values for mixing model..... | 409 |
| 10.2 | Particulars of analyzed samples in ascending chronological order..... | 411 |
| 10.3 | Stable isotope values of faunal and human bone collagen, Mitchell Ridge..... | 412 |
| 10.4 | Stable isotope values for prehistoric Texas populations..... | 417 |
| 11.1 | Number of specimens, shell artifacts, Mitchell Ridge..... | 415 |
| 11.2 | Burial features associated with shell artifacts..... | 418 |
| 11.3 | Data on bird bone whistles, Mitchell Ridge burials..... | 446 |
| 11.4 | Lithic artifact data, Mitchell Ridge burials..... | 450 |
| 11.5 | Glass bead types, Mitchell Ridge burials..... | 455 |
| 11.6 | Mitchell Ridge bead types listed by Harris..... | 459 |
| 12.1 | Token burials, Mitchell Ridge..... | 470 |
| 12.2 | Headward orientation of burials, Galveston Bay and West-Bay/Brazos Delta..... | 471 |
| 12.3 | Correlations between presence/absence and classes of grave goods and age/sex..... | 478 |
| 12.4 | Number and percentages of grave pits with grave goods, by burial group..... | 481 |
| 12.5 | Number of offering classes per radiocarbon-dated burial..... | 484 |
| 12.6 | Number of individuals per pit, by period..... | 486 |
| 12.7 | List of Protohistoric and Early Historic epidemics, eastern Texas..... | 489 |
